Re: Announcement of Planned Action

Dear DWA Act Coordinator:

Castle Medical Center dba Adventist Health Castle ("Adventist Health") will be transferring all Nutritional Service job functions and positions listed on the attached Schedule A from Adventist Health to Sodexo. Consistent with these plans, approximately 32 employees are expected to be separated from employment with Adventist Health. Employment separations are expected to be permanent effective December 26, 2020.

Adventist Health has provided all affected employees sixty (60) days' written notice of such closure. Although this layoff is expected to be permanent, it is anticipated that Sodexo will offer positions to most affected employees.

Bumping rights are not available for affected employees. Affected employees are not represented by a labor organization.

This notice is being provided consistent with 20 CFR § 639.7(f). If you have any questions or require additional information, please contact, Todd Reese, Human Performance Director, at 808-263-5150.

Sincerely,

Todd Reese
Human Performance Director
