Dear Michelle,

This notice is being provided to you pursuant to the Worker Adjustment and Retraining Notification Act which requires employers to give official notice of a mass layoff, closure or functional elimination within a single site location. T-Mobile has made the difficult decision to eliminate (4) positions at our 94-673 Kupuohi St. Ste B204, Waipahu, HI and 420 WAIAKAMILO, SUITE 405 Honolulu, HI location. We are providing you a list of affected positions of employees notified through June 16, 2020.

These layoffs will be permanent, meaning there will be no right of recall, and T-Mobile does not have a "bumping" policy. None of the affected employees are represented by a union.

We hope to accomplish this with the least possible disruption to the lives of our employees and the community. Affected employees have been notified of the layoff by management and a letter. A list of the affected positions is attached.

This is an ongoing process for T-Mobile. We will provide the necessary updates as required. Should you have questions regarding this correspondence, please contact me at (913) 762-6795.

Respectfully,

Jennifer Cox
HR Project/Program Manager
